Company Overview

You can order natural soaps or have a chance to make them using virgin olive oil which is highly effective in anti-aging and skincare, makgeolli, Korean fermented rice wine, and other natural ingredients and mature them inside a bamboo container. Olivia Hands is a workroom where you can handcraft high-quality natural soaps and other household items and communicate with other people.

History

2016 Founded in Wonju in 2016 by a young entrepreneur, Olivia Hands is a workroom to craft natural household items.

Performance

- Winner of the Aromatherapy craftsmanship Awards
- Won the grand prize in the Korea Art Culture Master Artists Awards
- Appointed as a chair of the service committee under the Upright Korea Association
