Company Overview

Badabon, a food company creating real value with superior foods, is committed to researching and developing new products for customer health and happiness. As a food company, we are always striving to give health, joy, happiness, and appreciation to our customers. We have developed and produced a variety of room temperature products that can be easily eaten without cooking, such as Jangjorim (4 kinds of flavors), Bamboo Shoots Samgyetang, Tuna Kimchi Jjigae, Seafood Cup Tteokbokki, Red Crab Tteokbokki, Seafood Jjajang Tteokbokki, and Scallops Samgyetang. By applying original processing technology, we have realized the taste and quality of home-made food.
